

Dear Friend of the Chesapeake Chapter of CMSA ,

Our chapter is a non-profit organization affiliated with the National Chapter of CMSA. We have served the Baltimore Metropolitan region for more fifteen years and have more than two hundred and sixty members.

The Chesapeake Chapter's goals include providing quality educational programs and networking opportunities. This is done through meetings held six times per year from September to June. The average attendance is fifty case managers. Our annual all day conference draws more than one hundred and seventy- five case managers from all areas of practice. These meetings provide an excellent opportunity for sponsors to network with case managers.
